From heavy duty tool bags to solid tool boxes, this collection of storage solutions allow effortless organisation

26" Self-closing tool box

Release your tools at your command. CELL tool box ensures that you won't spill your tools again. The auto locking lid ensures the box will not fall open when the handle is in use. The impact resistant base and rubber corners ensures durability in use and the tough softgrip handle offers an ergonomic, comfortable hold. Two removable tool trays rest securely on the top of the box and are perfect for storing quick access, high use items such as knives.
