This is all the

# FIRE >>> POWER

you **WILL** need

**Bullet**<sup>®</sup>

Woodscrews

# Bullet®

The new name in premium quality woodscrews

Bullet is a super fast, low energy - high performance woodscrew.

What does this mean for you?

- A quicker turnaround on the job
- Increased battery performance for your drill

The  
Screw

>>> hard  
fast true

Faster than a speeding...

Made from high quality heat treated steel, Bullet woodscrews are zinc and yellow passivated for product longevity. Featuring a hi-tech wax coating, cork screw tip and flute, Bullet has an excellent pick up speed to power into all types of wood quickly and cleanly.

Crown Ribbed Countersink\*

- > Self-countersinking
- > Stronger head/shank junction

Cork Screw Tip

- > Exceptional pick up speed
- > 'Powers' into any wood type

Thicker Shaft

- > Stronger shaft delivers less breakages

Thread

- > Exceptional insertion strength
- > Superior holding strength

\* Countersinking feature applicable to screws over 4mm

# The **Free** Impact Bit

Part No. BULLETTBITBOX  
RRP £10.95 ex vat £13.11 inc vat

**Free in every box:**

A high performance Phillips PSD® impact screwdriver bit. Flexible red impact neck prevents it from breaking under load.

The unique head recess of the Bullet screw grips the impact bit securely giving the absolute best fit resulting in low energy input – high performance output.
